

Cayla's Rambles

Naturally Cleaner 'Recipes'

Miracle All Purpose Disinfectant Cleaner

1/4-1/2 Cup Vinegar (I use the type specifically for cleaning - balsamic is not recommended)
1/2 tsp. Liquid Dish Soap
2 Cups Water

Put it all in a spray bottle.

Great on glass, mirrors, stainless steel appliances, floors, walls, counters, bathrooms ...

Scrubby Tubby

Baking Soda
Dish Soap
Tupperware or Gladware with lid
Sponge (one side scrubby)

Pour some baking soda in the container.
Now here's the tricky part. Pour just enough dish soap in the container to make a paste.

Like its name says, it's great for the tub, shower, sink, toilet bowl ... just be sure to rinse.

Funky De-Gunk

1/2 tsp Baking Soda
2 tsp Borax
1/2 tsp Liquid dish soap
2 Cups Hot Water
1 Spray Bottle (Find them at the Dollar Store)

A great all purpose de-gunker. Use on most surfaces except glass and mirrors. Requires rinsing.

Salad Dressing Furniture Polish

Some *Miracle All Purpose Disinfectant Cleaner*
Some Olive Oil (I use my oil sprayer so it's similar to using Pledge)

Spray a little of each on your furniture. Wipe with a microfiber cloth, polish to a shine with a clean microfiber cloth.
